Covid and Hygiene Protocols

As of March 2022 the government has partially relaxed Covid-19 protocols for events and conferences allowing 100 percent capacity at exhibition spaces for fully vaccinated or recovered participants.

You are required to pre register prior to arriving at the hotel. You are also kindly requested to have a copy of your registration information and proof of vaccination, in print or in your mobile phone, available during your visit at the FL Forum. The QR code which is displayed on your ticket will be scanned as you enter the book exhibition.

Exhibitors are allowed to distribute printed material and leaflets.

Οι Μαθησιακές Δυσκολίες στην εποχή του Covid και της ψηφιακής τάξης: Αλλαγές στην υποστήριξη μαθητών με Μαθησιακές Δυσκολίες

Γιάννης Κοσμόπουλος, Δάσκαλος Ειδικής Αγωγής, Εκπαιδευτής Σχολών Γονέων

Τα δύο τελευταία χρόνια οι μαθητές και οι οικογένειές τους κλήθηκαν να αντιμετωπίσουν δύο μεγάλες προκλήσεις που η μία επηρέαζε την άλλη. Από τη μία ο εγκλεισμός στο σπίτι και από την άλλη η τηλεκπαίδευση που έφερε μπροστά από τις οθόνες όλους τους μαθητές. Οι συνθήκες που διαμορφώθηκαν δημιούργησαν πολλά προβλήματα σε όλους τους μαθητές, περισσότερο όμως επηρεάστηκαν οι μαθητές με Μαθησιακές Δυσκολίες. Μερικές από τις αλλαγές αφορούσαν στη μαθησιακή λειτουργία, στην παρατεταμένη χρήση υπολογιστή, στην προσαρμογή της μελέτης και των εργασιών στη ψηφιακή μορφή, στην απομόνωση από τους συμμαθητές, στη μη εκτόνωση της σωματικής ενέργειας, στο φόβο της ασθένειας κλπ. Τα αποτελέσματα είναι ορατά σήμερα σε όλες τις δομές της εκπαίδευσης. Το ερώτημα των εκπαιδευτικών είναι: πώς θα βοηθήσουμε αυτούς τους μαθητές να βρουν τις νέες ισορροπίες τους για να ανταπεξέλθουν στις προκλήσεις;

We are storytelling monkeys

Might it be the case that each of our lessons is actually a short story? With Storygarden, it really is! In this presentation, we are going to explore the world of Storytelling and of Fairy Tales, and how this world is the key to an innovative approach to the teaching of English, and teaching and learning in general.

Teaching through literature

Undoubtedly, the use of literature and storytelling as supplementary material in the classroom is by no means new. However, using it as a core subject in school syllabus is perhaps challenging to consider. When this is done through a creative lens, it can certainly bring about unimaginable rewards for all sides involved: school, teachers, and students.

Teaching for raising awareness for social issues

As language teachers in the 21st century, we need to enable students to effectively acquire a foreign language while empowering them with the knowledge, skills, and commitment required to become socially responsible global citizens. In this presentation, we will discuss teaching for raising awareness for social issues with reference to the 'Stop Bullying' project, gold award winner at the 2021 ELT Excellence Awards.

Essay writing at B2 level

Effective communication use at B2 level is defined by the confident use of a range of strategic and linguistic tools. What are these tools in essay writing at B2 level and how can we teach them?

Πώς αντιμετωπίζουν οι γονείς το ενδεχόμενο να έχει το παιδί τους κάποια Δυσκολία Μάθησης ή Συμπεριφοράς; Ποια η θέση του εκπαιδευτικού;

Τι συμβαίνει όταν ο εκπαιδευτικός καλεί τους γονείς να συζητήσουν τις ιδιαίτερα χαμηλές επιδόσεις ή την ανησυχητική συμπεριφορά του παιδιού τους; Ποια είναι τα συναισθήματα που εκείνοι νιώθουν όταν ενημερώνονται ότι το παιδί δεν βρίσκεται στο ίδιο επίπεδο όπως οι συμμαθητές του και πως αντιδρούν στην πιθανότητα Μαθησιακών Δυσκολιών; Πως επηρεάζουν το παιδί αυτές τους οι αντιδράσεις; Αυτά τα ερωτήματα θα προσπαθήσουμε να απαντήσουμε ώστε να είναι πιο εύκολη η προσέγγιση και η συνεργασία μεταξύ γονέων και εκπαιδευτικών με στόχο να βοηθήσουν από κοινού το παιδί να αποδώσει το μέγιστο των δυνατοτήτων του.

Workshop

Room Patreus

Critical thinking in speaking

Workshop Leader: Cliff Parry Teacher, Teacher Trainer, Academic Manager at the British Council

Critical thinking is among the first causes for change (personal and social), but is a pariah in schools –for no other reason than it conditions the mind to suspect the form and function of everything it sees, including your classroom and everything being taught in it.

In this workshop we will:

- **define what we mean by critical thinking,**
- **see how learners demonstrate critical thinking,**
- **try together a range of activities that promote critical thinking in speaking**

CLIFF PARRY

WORKSHOP ON CRITICAL THINKING IN SPEAKING

Critical thinking is among the first causes for change (personal and social), but is a pariah in schools –for no other reason than it conditions the mind to suspect the form and function of everything it sees, including your classroom and everything being taught in it.

In this workshop we will:

- define what we mean by critical thinking,
- see how learners demonstrate critical thinking,
- try together a range of activities that promote critical thinking in speaking.
